

# EQUISTRO® IPALIGO EQUIL

## Liquid mineral and trace element supplement

Complementary feedingstuff, rich in trace elements and magnesium, for balancing the feed ration of broodmares and working horses

### Liquid - Ingredients :

- Zinc (IPALIGO®) : 5 000 mg/litre
- Manganese (IPALIGO®) : 3 500 mg/litre
- Copper (IPALIGO®) : 2 500 mg/litre
- Cobalt (IPALIGO®) : 50 mg/litre
- Magnesium (IPALIGO®) : 50 mg/litre
- Selenium (sodium selenite) : 50 mg/litre

### Nutritional value:

The trace elements supplied in **EQUISTRO® IPALIGO EQUIL** are in the chelated IPALIGO® form exclusive to Vétquinol, which ensure an excellent bioavailability. Proven with IPALIGO® zinc in horses which increases the half life and average retention time compared to the more classic inorganic forms (chlorides ...).

### Usage:

For horses :

**EQUISTRO® IPALIGO EQUIL** is a liquid complementary feedingstuff for horses rich in trace elements and magnesium to help balance the feed ration. It is particularly recommended for horses in work, broodmares and growing youngsters.

### Recommended administration:

Add **EQUISTRO® IPALIGO EQUIL** to the feed ration or drinking water.
