

EQUISTRO® KERABOL

Healthy hoof and coat development

A liquid complex containing key elements for a healthy and resistant hoof structure
Methionine, D-biotin, zinc, manganese and selenium as well as β -carotene

Liquid - Ingredients :

- DL-Methionine : 10 000 mg/kg
- D-Biotin : 1 500 mg/kg
- Zinc (IPALIGO®) : 9 500 mg/kg
- Manganese (IPALIGO®) : 3 000 mg/kg
- Selenium (selenite) : 25 mg/kg
- β -carotene : 1,4 mg/kg

Nutritional value:

EQUISTRO® KERABOL is rich in high biological value methionine, zinc (IPALIGO®) and D-biotin as well as antioxidant and enzyme precursors such as β -carotene, selenium and manganese (IPALIGO®). Used daily, **EQUISTRO® KERABOL** helps stimulate hoof and hair metabolism thus favouring a shiny coat and a healthy hoof that is supple and not brittle.

IPALIGO® is the organic complex form unique to Vétquinol that ensures excellent bioavailability and retention as demonstrated in the horse for IPALIGO® zinc.

Usage:

A complementary feedingstuff for horses :

Daily use, **EQUISTRO® KERABOL** favours a healthy hoof growth, a shiny coat, and a good horn quality and conformation that is elastic and not brittle.

Recommended administration:

Adult horses	10 ml per day (15 ml for heavy horses or in case of rapid requirement)
Ponies and foals	5 ml per day

Pack size

- 1 L bottle

Can be administered in complete confidence in accordance with local and international rules up until the day of an official competition or race.
