

# EQUISTRO® LASIPHYTON

## Respiratory health support

Complementary feedingstuff rich in Java Tea (*Orthosiphon*)  
For maintaining healthy blood capillary integrity of horses undergoing sprint work

### Powder - Ingredients :

- *Orthosiphon stamineus* : 99 %
- Lactose : 1 %

### Nutritional value:

Java Tea (*Orthosiphon*) contained in **EQUISTRO® LASIPHYTON** contains phytonutrients which participate in the maintenance of the capillary blood vessel integrity including the lungs.

### Usage:

Complementary feedingstuff for horses :

**EQUISTRO® LASIPHYTON** application is recommended for maintaining healthy blood capillary integrity of horses undergoing sprint work.

### Recommended administration:

Add **EQUISTRO® LASIPHYTON** to the feed ration in anticipation of an intense effort (6-8 hours). Withdraw water. Administer equally the day before (12-24 hours) if particularly intense sprint consequences are expected.

### Adult horses

Standard sized horses (500 kg)	50 g (4 scoops)
Light horses	25 g (2 scoops)
Ponies	12,5 g (1 scoop)

### Pack size

- 100 g pot  
with measuring scoop

Can be administered in complete confidence in accordance with local and international rules up until the day of an official competition or race.
