

EQUISTRO[®] SUPER E/EXCELL E Powder

Muscle function health

Concentrated vitamin E, organic selenium, magnesium and lysine
To aid muscle cell resistance and limit muscular tension

Powder - Ingredients :

- L-lysine : 50 000 mg/kg
- Magnesium : 7 000 mg/kg
- Selenium (Sel-Pex[®]): 10 mg/kg

Nutritional value:

EQUISTRO[®] SUPER E/EXCELL E Powder supplies 4 key nutrients of high biological value that are in a readily available form for muscle metabolism :

- L-Lysine, an essential amino acid, necessary for muscle protein synthesis.
- Vitamin E and selenium, 2 antioxidants that play a primordial role in muscle cell integrity.
- Magnesium, which helps neuromuscular transmission.

Usage:

Complementary feedingstuff for horses :

EQUISTRO[®] SUPER E/EXCELL E Powder use is recommended :

Sports or pleasure horses

- during winter or when work is to be started up, for its supplementation in lysine, vitamin E, selenium and magnesium
- to optimise the muscle metabolism and muscular performance

Recommended administration:

Add **EQUISTRO[®] SUPER E/EXCELL E Powder** in the feed or drinking water.
